PROFESSIONAL EXPERIENCE

ICT Technician Intern — Motheo TVET College, Free State *February 2026 – Present*

- Installed, configured and maintained desktop computers, laptops and ICT laboratory equipment.
- Diagnosed and resolved hardware and software faults affecting computers.
- Configured and tested printers, monitors and peripheral devices used in computer labs.
- Provided technical support and troubleshooting assistance to users.

UI/UX Designer & Developer — Leave Management System, Bloemfontein *July 2025 – November 2025*

- Used HTML and CSS to create responsive web portal layouts with a consistent user experience across devices.
- Implemented MVVM architecture for a clean, maintainable code structure throughout the Software Development Life Cycle (SDLC).
- Worked in an Agile environment to deliver user authentication, dashboard reporting and data visualisation.
- Contributed to UI/UX design, creating user-friendly interfaces and intuitive navigation flows for a cross-platform mobile application.

IT Lab Assistant — Central University of Technology, Bloemfontein *February 2025 – November 2025*

- Assisted students with computer usage and basic technical challenges in ICT laboratories.
- Supported students with special needs through guided computer assistance.
- Conducted routine checks and testing of ICT equipment before lessons.
- Maintained a safe, organised and functional ICT lab environment, and assisted with classroom preparation and use of ICT tools.

EDUCATION
